Macbeth

As you flip through the pages of this annual I ask you  
not to consider it just an annual but a scrapbook of our  
year, 1978-79. The Annual Staff has attempted to depict the  
symbols of our high school days - the victories and the losses,  
the smiles and the tears, the "prom formal" and the whimsical  
days, the antiquity of Macbeth and the modernity of Letter  
Day Night Time. To the limit that mere pages will allow, we  
have brought together in one book thoughts, dreams, and mem-  
ories - in essence the signs of the times or should I say  
the signs of our times.

The class of 1979 has had many good and bad times in their years of school together. They were saddened this year by the death of two of their classmates Ricky Montgomery and Sylvester Clark (photo not available). The good times always seem to outnumber the bad times. This Senior class had many new and exciting ideas, such as changing the design on the class rings. For the first time the Junior-Senior Prom was held at the Mini-Coliseum in Martinsville. This creative class is one of the best ever at Patrick County High School.

*Sammy Gammons  
December 6, 1978*

*The Freshmen at Patrick County High suffered a loss greater than we thought imaginable in the untimely death of Sammy Gammons. It can be said in all sincerity that there was not anyone who was any more loved and respected.*

*Although Sammy lived a comparatively short while, his life made such an impression on all that he will be in our memories forever.*

# Spring: A Time

## O f P e a c e

Spring has returned and has begun to unfold her beautiful array; to throw herself on wild-flower couches, to walk abroad on the hills and summon her songsters to do her sweet homage ... This soft bewitching luxury of vernal gales and accompanying beauty overwhelms. It produces a lassitude which is full of mental enjoyment and which we would not exchange for more vigorous pleasure.

Although so long as the spell endures, little or nothing is accomplished. Nevertheless, I believe it operates to divert the mind of old and worn-out contemplations and bestow new freshness upon life and leaves behind it imaginations of enchantment for the mind to mould into splendid forms and gorgeous fancies which shall long continue to fascinate, after physical phenomena which woke them have ceased to create delight.

“Always and Forever” —

Which is Gerri Gay Childress and which is Roger Wilson?

Always and forever, each  
moment with you  
Is just like a dream to me  
that somehow came true.  
And I know tomorrow we'll  
still be the same  
'Cause we've got a life of love  
that won't ever change.  
And everyday love me your  
own special way.  
Melt all my heart away  
with a smile  
Take time to tell me  
you really care.  
And we'll stand tomorrow together  
I'll always love you.

A special look passes between Julie Wilkinson and Steve Sheppard as they enjoy their night at the prom.

Mike Cole is aware that this is his last prom, and he is glad to be spending it with Patti Hylton.

The theme of the 1978 Jr.-Sr. Prom "Always and Forever" meant different things to those who attended. To the juniors, it meant that there would be next year to enjoy again. To the seniors, it meant many wonderful memories to treasure forever.

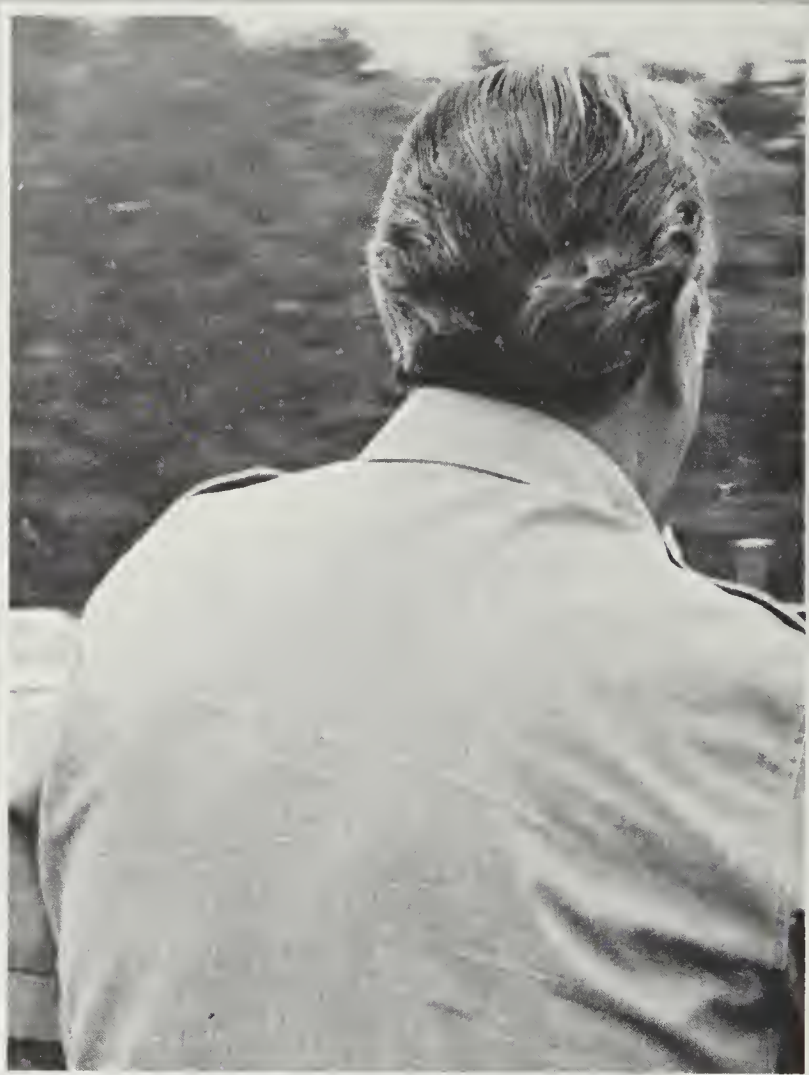

High above the crowd, these prom goers show everyone their special style.

## Football Team

Danny Sheppard is "all dressed up with no place to go."

Number forty-seven was forced to take a ringside seat as his teammate was tackled by the opposing players.

Football head coach and captains – 1st Row: Coach Tom Berry, Captains John Campbell and Scott Priddy. 2nd Row: Captains Mike Berry, Mark Webb, Timmy Handy, and Warren Williams.

The 1978 Varsity Football team closed their season with a 2-7-1 record. This record, however, does not show the fine efforts of the players and the coaches.

Cougar quarterback Steve Smith earned the title of most accurate quarterback in the district. Mark Webb was elected to the All Piedmont District second team. The Cougars were an excellent offensive team, scoring more points this season than in any other.

The two Cougar wins were both shut-outs, the first time ever that the Cougars had shut out two teams in one season. The tie-game was a thriller that kept everyone in suspense until the very end.

Coach Tom Berry observes the play on the field with a solemn expression.

The student body elected Miss Lisa Mann as their 1978 Homecoming Queen. Other Senior candidates were Suzi Olmsted, Julie Wilkinson, Amy Shelor, and Vicki Stone.

Considering that most of the boys were inexperienced, the 1978 8th Grade Football team did very well. The boys worked well together and exhibited much enthusiasm and a desire to improve. Coach Hayes believes that he is sending a fine group of boys on to play J. V. Football next year.

The 1978 8th Grade Football Team: 1st Row: Steve Plaster, Elvis Spencer, Chuck Bumgardner, Paul Hatcher, Brian Morris, Norman Wood, Daryl Holt, and Phillip King. 2nd Row—Curtis Bowman, Warren Agee, Lee Reed, Kevin Williams, Steve Ayers, Tony Beck, Chris Childress, Donnie Knight, and Mack Williams. 3rd Row—Mike Hill, Dale Robertson, Chuck Joyce, Chandler Williams, Brian Beavers, Ricky Carter, Ronnis Deal, Matthew Hall, and Mark Boyles. 4th Row—Coach Doug Fulcher and Coach James Hayes.

# J.V. Players

With his head bowed, Bobby Eckenrod thinks, "We can't be losing that badly."

Quarterback Timmy Bowers unloads the football with his usual skill.

Coach Nelson McConnell uplifts his hands to the heavens and prays for rain.

Led by speedy runningbacks and a strong defense, the J. V. Football Team consistently played well. Their weaknesses were a lack of a sufficient number of players and experience. Coach McConnell said that many players progressed to the point that they were capable of playing Varsity Football.

The 1978 Girls' Basketball Team closed its regular season with a 7-2 record, the best ever at Patrick County. The two Senior starters, Robin Bowling and Sandra Morrison, consistently led the team with good defense and high scoring. The other three starters were Janice McAlexander, Della Reynolds, and Kim Clark.

The team advanced to district competition with a third place standing. They defeated Bassett 69-65, lost to Drewry Mason 66-34, and edged Chatham 73-70. The girls placed third in the district with an overall 11-4 record.

The 1978-79 J.V. team finished with 4-14 record. Though the record was disappointing, the season gave each player a chance to show his basketball skills.

Coach Tim Parker saw the season as a success and felt that each game gave the players good practice for next year's team.

"Okay you guys, let's get on the ball!"

Coached by Mrs. Amy Shelor and led by captains Harriett Walker and Lori Banks, the J.V. Cheerleaders have enhanced home ballgames with their spirit and cooperation. These girls cheered for J.V. Football and J.V. Boys' Basketball.

Since they work closely with the Varsity Cheerleaders in arranging pep rallies and making posters, the J.V. Cheerleaders do more than their share of cheering and promoting spirit.

The 1978-79 8th Grade Basketball team, coached by James Holleman, had a very successful season. Despite the players being very young, they finished the season with an 8-2 record. This team shows much promise for the future.

The basic purpose for the 8th grade team is to learn the fundamentals of basketball. The record indicates that they learned them well.

The 1978 Boys' Track Team did not have a winning season this year, but they did have a few boys who were outstanding in their performances. Dean Spencer, Dale Puckett, and Willie Reynolds each gave good performances, and Dean was eligible for regional competition.

The fact that the squad was small and inexperienced hindered the team, but the boys worked well together and the team completed the season without any major injuries.

The 1978 Girls' Track Team was a young but talented team. Their strong points were the long jump, the 880 run, the 220 run, and the high jump. Their weaknesses were in the shot put, the discus, the hurdles, and the mile relay.

One girl, Eveline Hatcher, advanced to Regional competition and placed 4th in the long and high jumps. She later went on to be in the state championship in the long jump.

The team ended the season with a 3-4 record which was commendable considering that there was very stiff competition in the district.

The 1977-78 Gymnastics Team had many things going against it during the year. The girls were plagued with small but frequent injuries. The team was able to compete in only three meets because of the icy, snowy weather.

Overall, the team placed third in the district, and two girls, Robin Booker and Crystal Ingram, were eligible for regional competition. However, the girls were unable to attend due to the inclement weather. The gymnastics team will lose only two girls, therefore Coach Pendleton is confident that the next season will be an excellent one.

Has a Good Year

(Below) Walking dejectedly from the field, Coach Richard Tobler tries to figure out how the Cougars could have ended the game with ANOTHER tie.

Terry Merritt slides safely into second base, breaking up a pick-off play.

The Patrick County High Cougar Baseball team closed their season with a few extraordinary feats to their credit. The Cougars set a Piedmont District record for the longest game ever played. They battled to a 2-2 tie with Chatham in 17 innings. They also set a record for the most tied games in one season with three.

Although this was the first losing season a Cougar baseball team has seen in six years, the team succeeded in accomplishing many things. The team had trouble with inconsistent pitching, new defensive tactics, and young, inexperienced players. Their strong points included quickness, agility and a good offense.

For the first time in 4 years, the Cougars did not advance to Regional competition. They did, however, produce many excellent baseball players. Darryl Younger led the team in batting average, runs scored, hits, doubles, triples, stolen bases, and fewest defensive errors. Timmy Handy led in RBIs and walks. Terry Smith, Leon Puckett, Mark Webb, and Keith Gunter each gave the Cougars a boost with one homerun apiece.

The Cougars only lost 3 players with Graduation, so there is great promise for the team next year with the returning players.

Dwayne Stanley confidently rounds third base as Coach Swails points out the position of the ball.

Many students wonder just what the Art Club is all about. It is open to all students who are currently enrolled in art class. This particular club is full of aspiring, young artists. The success that the Art Club experienced this year was due to the sponsoring of a Christmas Art Show and a Car Smash, which were enjoyable as well as prosperous activities for the club. The club members also attended the museum in Washington, D. C. so that they might further their knowledge of the arts.

Julie Wilkinson – Solo Twirler

Judged on their coordination, marching ability, baton twirling, and overall appearance, the majorettes for the Cougar Band are chosen each spring. One of the pre-requisites is that the girls must be a member of the marching band. At the conclusion of the try-outs, the girl with the highest number of points will be the solo twirler, and the girl receiving the second highest number of points will be honored with the position of head majorette. The head majorette holds the responsibility of making up the routines used during the half-time shows.

The majorettes attended the National Majorette Clinic held at Lynchburg College. There they won two excellent and one superior ribbon.

This is PCHS's first year of having a flag corps. Try-outs were held in May 1978. The girls were judged on their marching ability, coordination, and overall appearance. The girls attended Flag Corps Camp at UVa and brought home a 1st place trophy for their excellent performance.

Beginning the first of August, the girls started practices five hours a day. All the hard work paid off when they performed at the first home game demonstrating professional precision and adding color and flair to the Cougar Marching Band.

**TOO LATE:** The IRS is printing forms that don't reflect 1978 changes.

The deadline to begin printing more than 90 million tax packages to be mailed to taxpayers in December was Monday. So the Internal Revenue Service couldn't wait for Congress to enact pending changes likely to be legislated this week, IRS Commissioner Jerome K. Robbins told the Heart of America News Service in Kansas City, Mo., re-

if Congress acts soon enough, it can sign the tax bill into law. The IRS could stop the press from publishing the balance of the press run. In several contingencies the agency is expected to cope with the last-minute law. The law would be a tax bill. It is not and cost. Confusion over the agency's helm the agency's. Kurtz suggested. "And now add 2 cups of milk ..."

Who has time to build a Christmas float? I'll tell you who. The same people who have time to sell M & M's. This year the VICA Club sold M & M's and rode a float in the Christmas parade.

"I'm so confused!" exclaims Lisa Patterson.

# Seniors or Secrets

Laura Akers – "We know what goes on in the back seat on Saturday nights, but what goes on in the trunk on Monday morning?"

Beth Turner – "Smoking in the boys' room."

Rosemary Vipperman's last words, "The least they could have done was bring me lillies, but boxwood?"

We've offered you our explanation of what these seniors are doing, but from their expressions, it looks like they're up to a lot more than they're telling. Isn't that what secrets are all about?

Lisa Spencer demonstrates that she is truly a member of "Animal Staff" as she monkeys around on the door.

176 Annual Staff

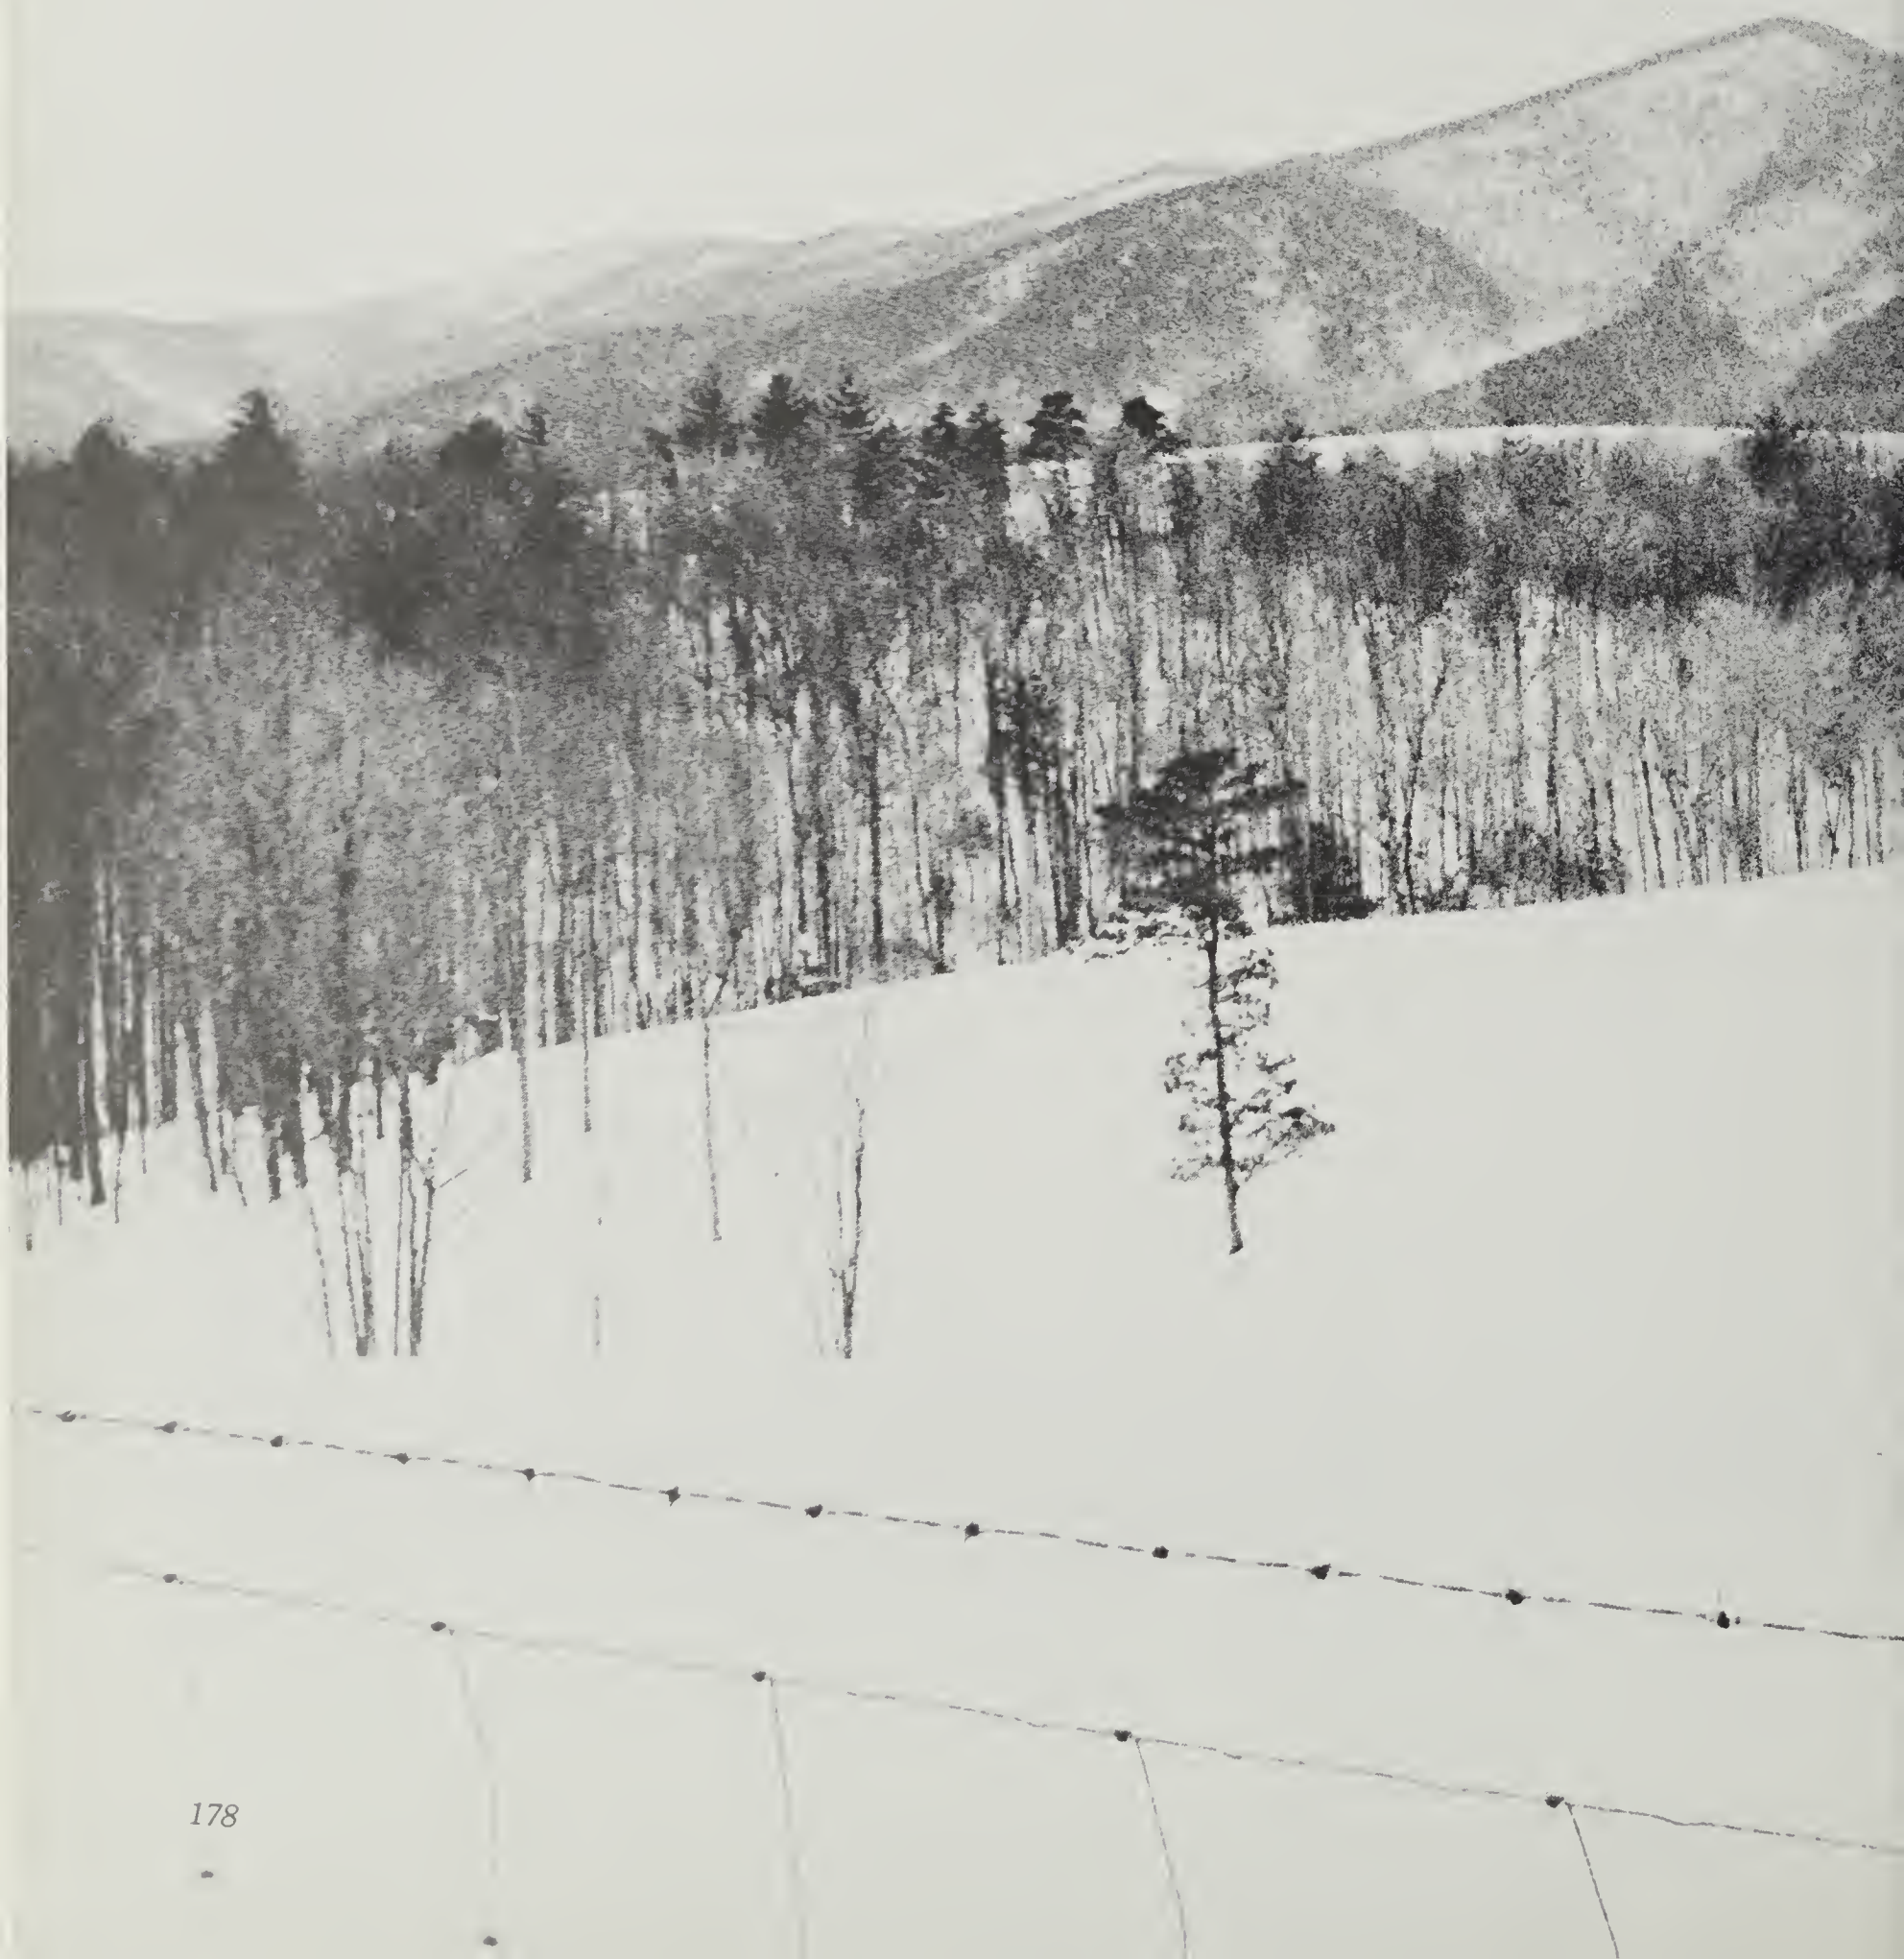

Angie Rakes – "What does Farrah have that I don't?"

# REFLECTIONS . . .

His reflection of purity can be seen in the white of the snow,  
His endurance in the trees that rough the winter wind, and His  
majesty in the mountains which stretch to meet His heaven.

The greatest blessing of our democracy is freedom.  
But in the last analysis our only freedom is the  
freedom to discipline ourselves.

RALPH WALDO EMERSON

They are all the same  
and the same kind of women (and men)  
they love, their girls and their girlfriends,  
but we know in the time plays, making parts,  
—William Shakespeare

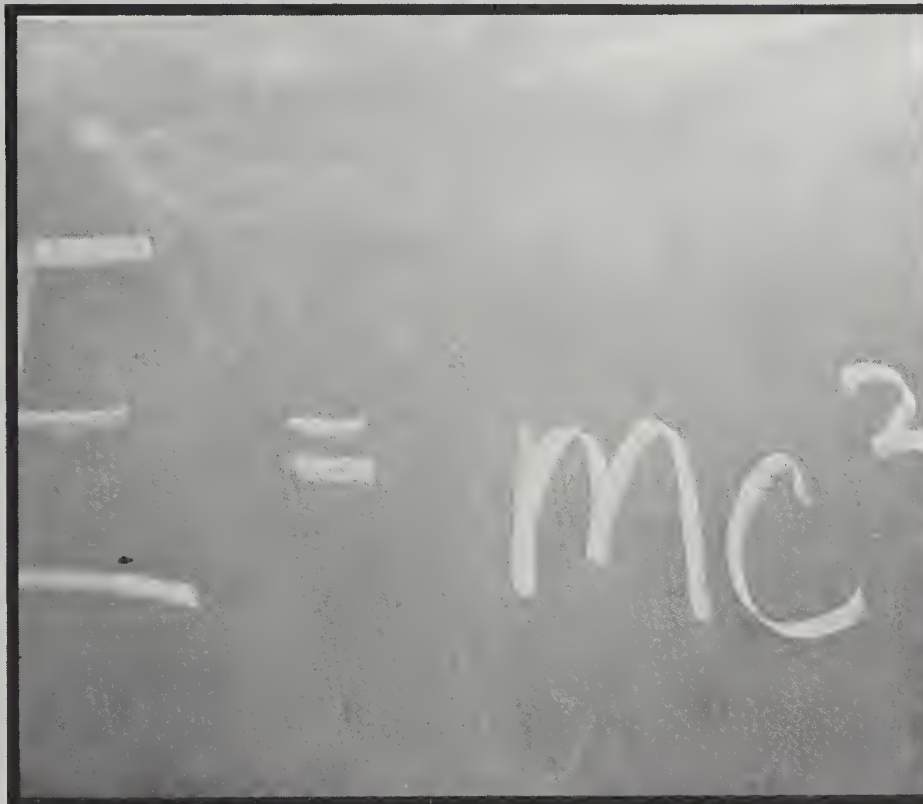

If there is anything that will endure the eye  
of God, because it still is pure, it is the  
spirit of a little child, fresh from his hand,  
and therefore undefiled.

—Richard Henry Stoddard

Light is found in the glow of a candle, the spontaneous love of a child, the glowing orb filtering through a web of trees, the beams of brightness breaking through the clouds of a tempestuous storm, and the face of a friend within the multitude of the indifferent crowd, called the world.

Lonely voices crying in the city,  
Lonely voices sounding like a child.  
Lonely voices come from busy people,  
Too disturbed to stop a little while.

Lonely faces looking for the sunrise,  
Just to find another busy day.  
Lonely faces all around the city  
Men afraid but too ashamed to pray.

Lonely eyes, I see them in the subway,  
Burdened by the worries of the day.  
Men at leisure but they're so unhappy,  
Tired of foolish roles they try to play.

Abundant life he came to truly give man,  
But so few his gift of grace receive.  
Lonely people live in every city,  
Men who face a dark and lonely grave.

A man who works with his hands is a laborer; a man who works with his hands and his brain is a craftsman; but a man who works with his hands and his brains and his heart is an artist.

—Louis Nizer

The man of our time can see art in his own works, in his own hands, in nature, and in the world on which he leaves his mark as the "Sign of his Time."

Through the passage of time, seasons change, love matures, children grow up, and age eats away at the perishable monuments of men. Yet this transition, this change, is a definite indication of the "Signs of our Times."

# Signs of Our Times

Over the past year, these jeans have become a bit more worn than when first purchased (see page 1), but many other changes and occurrences have been experienced as well. As was stated earlier, this annual is not an annual but a scrapbook of our memories. After a few weeks, this book will probably be placed on a shelf to collect dust, but the “Signs of Our Times,” captured in its pages, will endure in our minds for years to come.
